

## The Blue Bridge ART of Cooking

To enhance our 2011 member exhibit reception and conserve on expenses, we invite all participating members to bring your favorite dish to share with the guests. We also ask that you bring a copy of your recipe for the dish that you bring to the reception. A registration form is attached below.

The recipes will again be accumulated and included in the cookbook entitled "The Blue Ridge ART of Cooking" or "BRAC cookbook. This cookbook began with appetizers and dessert recipes from the 2010 Members Show. Production was delayed but sample copies are now on display and ready to be produced. The sample version will be expanded to include recipes received from the 2011 Show.

We will also include a photo of one piece of your choice of artwork. If you are already in the cookbook, you may submit a second recipe along with your donated dish for the reception and a digital photo of a new piece of artwork. There is no limit to the number of entries for each member. We do ask that you vary your type of dishes so that we will have a variety of food groups in the book.

There is no charge to be included in the cookbook. Your membership and food contribution at various events insures your inclusion in our "The Blue Ridge ART of Cooking" cookbook. All net proceeds benefit The Blue Ridge Arts Center operating and education expenses. The perfect gift for the holidays!
